

## DO SWITCHMEN DEFY DEPARTMENT OF JUSTICE ORDER

Declare They Will go  
to Jail Rather Than  
Return to Work

## ULTIMATUM WILL STAND

CLEVELAND, O., April 23.—Five hundred striking railway men at a mass meeting late yesterday agreed unanimously to go to jail rather than return to work after department of justice officials requested the strike leaders to notify the men that all of the approximately 1500 strikers could be arrested if they did not return to work by tomorrow morning. This was after John Lawken, department of justice agent who attended the meeting, demanded that the strikers leaders order the men to return to work or themselves go to jail. The government warning given by Frank J. O'Rourke, president of the Cleveland Yardmen's association by Lawken brought a noisy demonstration from the men at the meeting.

At first O'Rourke warned the men that only the leaders would be arrested if all the men did not return to work by tomorrow morning. After O'Rourke's announcement, Lawken called the strike leaders into a private room, where he told them of the government's plans to arrest every man who failed to return to his post by Saturday morning.

"I have just been informed by the department of justice representative that every man of us will go to jail unless we go back to work," O'Rourke said when he and the leaders returned to the platform.

## Refuse to Modify Order.

New York, April 23.—Refusal of the railroad heads to modify their ultimatum to the strikers and the equal determination of the latter to hold out for seniority rights, tonight virtually destroyed all hope of an early and complete settlement of the railroad labor difficulties in the Metropolitan District. A statement today by J. J. Mantell, spokesman for the railroad General Managers' association that intervention by all the mayors of cities in the east could not alter the railroad position apparently did not discourage strike leaders.

Tonight, after a meeting in Jersey City, the strikers placed hope in the meeting of mayors of New Jersey and Atlantic City tomorrow at which they expect a resolution will be passed urging the roads to extend the ultimatum and grant the men seniority rights. A strikers' committee it was announced also would call on Mayor Hylan tomorrow to enlist his aid in their behalf.

"As far as I can determine," said Edward McHugh, chairman of the strikers' executive commission, "the men will remain out until some assurances are given that they will be taken back in regular order."

"The only asset a railroad man has is his seniority right, which belongs to him and costs the company nothing," Mr. Mantell said passenger service virtually has been restored to normal, the freight service is improving steadily, and that in a few days he expects all transportation difficulties will be solved.

## Chicago Situation.

Chicago, April 23.—Several thousand striking railroad workers at a mass meeting today refused to take action to end the unauthorized walkout, now in its fourth week in the Chicago terminal district.

The meeting, called by John Grunau, president of the outlaw Chicago Yardmen's association and Harold Reading, head of the United Engineers' association, adjourned when no progress had been made after forty-five minutes. Representatives of the railroad General Managers' association and of the government were asked to attend but ignored the invitation. The general managers announcing that they would enter into no negotiations with the insurgents.

Grunau, who was released from jail at Joliet, Ill., last Wednesday was greeted with a roar of applause as he stepped on the platform. An American flag was produced and draped around his neck. He left it there as he spoke.

"I called this meeting to help straighten out this tangle," Grunau said. "We would not be good citizens if we refused to take every step possible to end the strike."

"We have not violated the law, we do not want to violate the law, and we will not violate the law. We have conducted this strike in an orderly manner and we will permit of no violence of any kind."

"It is up to you and me to decide when this strike is to end. You are the only ones who can decide that question."

Ben Dolan, a representative of the United Engineers, followed Grunau. "If we can return without loss of dignity, without loss of our seniority rights, and if our organization is recognized by

## ATTEMPT OF YEGGS TO BLOW ALEXANDER BANK UNSUCCESSFUL

Whole Town Aroused by Explosion—Make Escape in Auto

Alexander, April 24.—Yeggs after attempting to blow the bank at Alexander at 2:30 o'clock this (Saturday) morning made their escape in an automobile.

The explosion awakened the family of Mrs. Colwell who resides near the bank. When the family ran out to see what caused the explosion the robbers shot at them.

They ran back in the house. The explosion aroused the entire town and soon a large crowd gathered at the bank. The sheriff and local police were notified and started out to see if they could overhau the robbers.

The robbers escaped in a car without any lights and took the road toward town. At the hour of going to press it was not learned whether or not they secured anything of value from the bank.

## HITCHCOCK DECIDES TO SURRENDER HIS SENATE LEADERSHIP

Virtually Assures Senator  
Underwood to be the Democratic Leader

WASHINGTON, April 23.—Senator Hitchcock, of Nebraska, withdrew tonight from the Democratic race for leadership of the senate, thus virtually assuring the selection of Senator Underwood, of Alabama, at the Democratic conference called for Tuesday night.

Senator Hitchcock's announcement was made in a letter to senate Democrats. He said his withdrawal from the fight would conduce to Democratic harmony and would accord with his individual plans, which would not permit him during the remainder of the year to undertake the work of minority leader.

The withdrawal of the Nebraska senator breaks the deadlock which developed at the party conference January 15, when the first effort was made to select a successor to the late Senator Martin of Virginia.

"I now desire to terminate the deadlock," wrote Senator Hitchcock, "and hereby withdraw my name from the contest. This will conduce to Democratic harmony and will accord with my individual plans, which will not permit me, during the remainder of the year, to undertake such continuous service in the senate as I have had during the past twelve months."

"The year during which I have acted as Democratic leader has been one of responsibility and difficulty, but one of pleasure, also, because of the consideration shown me by party colleagues, whether they agreed with me or not."

"I desire particularly to thank those who have supported me in this contest and say to all that I shall be glad, in resuming my position as vice-chancellor, to cooperate heretofore with the chosen leader."

Senator Hitchcock's friends explained the presidential campaign would take the senator away from Washington at frequent intervals and that, aside from this, he would make frequent visits to his summer home in Massachusetts, and would not, consequently, desire the responsibility of minority leadership.

## FOUR INJURED IN RAIL WRECK

MASON CITY, Ia., April 23.—Four persons were injured, none seriously when a M and St. L. passenger train left the track four miles south of Hampton, Iowa, at 6 o'clock this morning, local officials stated. The injured are:

Arthur Sanford, Mason City, badly bruised; C. H. Martin, baggageman, Peoria, Ill., small cuts and bruises; M. Rosenthal, Toledo, O., leg bruised; G. Grundburg, Mason City, slight bruises. All of the injured persons were taken to the office of the company physician at Hampton.

## ON FLYING TRIP

Washington, April 23.—Brigadier General William Mitchell and five other officers of the army air service will leave Washington tomorrow morning to fly to Dayton, Ohio.

## MARS REFUSES TO SIGNAL

Cedar Creek, Neb., April 23.—Dr. Frederick Millener, failed again last night in his efforts to catch signals from Mars at the receiving station he has constructed here. The experiments will be continued for several days.

The railroads and our salary demands are granted we will go back to work at once," he said.

The railroads announced today that traffic conditions in the Chicago district were 83 per cent of normal and that 630 switching crews were at work, as compared with 605 yesterday. The movement of livestock and fresh meat to eastern points was reported normal, while Chicago livestock receipts totaled 911 cars, 460 more than on the same day a year ago.

The Baltimore & Ohio railroad announced that strikers who did not return to work by Monday would lose seniority rights.

## JOHNSON LEADING IN EARLY RETURNS FROM MONTANA

California Senator is  
Running Away from  
Opponents

## LOWDEN IN THIRD PLACE

BULLETIN  
HELENA, Mont., April 24.—Majors returned to the capital tonight beyond all doubt tonight that Hiram W. Johnson has swept Montana in the presidential preferential primary.

At midnight 191 precincts out of 1500 gave:  
Johnson ..... 6,238  
Wood ..... 1,604  
Hoover ..... 1,259  
Lowden ..... 1,139  
Harding ..... 131

HELENA, Mont., April 23.—Early returns from Montana presidential primary today indicated a victory for Senator Hiram W. Johnson of California, altho few returns had been received from rural districts. At 10 o'clock returns from 58 scattered precincts out of 1500 gave:

Johnson ..... 1,810  
Wood ..... 309  
Hoover ..... 271  
Lowden ..... 223  
Tarding ..... 42

The vote today was said to have been light.

Under the Montana primary law the people vote directly on their choice for president. In addition to expressing their presidential preference, electors and delegates to the national convention were chosen today. There was no Democratic candidate for president.

Gov. Sam V. Stewart is an unopposed candidate for the vice-presidential nomination. Great Falls, Mont., April 23.—The Tribune's total for 72 precincts in nine counties gave:

Johnson ..... 2,056  
Wood ..... 477  
Lowden ..... 425  
Hoover ..... 410  
Harding ..... 56

Lowden carried five precincts in Teton county and two in Roosevelt. Johnson carried all others reported so far.

## WILL INVESTIGATE POST ADMINISTRATION

Washington, April 23.—Investigation by the house of the administration, by Assistant Secretary Post, of the department of labor, of the deportation of alien radicals, will be started next Thursday before the rules committee. Under a program practically adopted today by Republican leaders, an adverse finding against the assistant secretary will not be followed by impeachment proceedings, but by presentation of a resolution calling for his removal.

Republican leaders said a measure urging his removal would be as effective and of earlier accomplishment than an impeachment action.

## ADVOCATE CURES FOR TUBERCULOSIS

ST. LOUIS, Mo., April 23.—Silence and rest were advocated as cures for tuberculosis today at the convention of the National Tuberculosis Association in session here. Dr. S. W. Schaefer, of Colorado Springs, declared that experimental and clinical data showed that rest is valuable specific for the disease.

Resolutions asking that the government provide funds for the treatment of former service men afflicted with the malady were adopted.

The resolutions also asked that the government erect sanitariums in healthful surroundings and near large centers of population; that better housing laws be enacted; and that more institutions be provided for the care of tubercular negroes.

## JAP TRADE IN CHINA DROPS OFF

Victoria, B. C., April 23.—"Japanese trade in China has suffered greatly as a result of the Chinese boycott," declared A. Kane, an electrical engineer of Shanghai, who arrived today. "The boycott has been pressed with such determination," Mr. Kane said, "that imports from Japan have been cut in half and even the greater part of this merchandise has been lying untouched."

## ARGENTINA'S CORN CROP FIGURES

Buenos Aires, April 22.—Argentina's corn crop for the present year will be 6,571,000 Spanish tons, equivalent of 258,897,000 merican bushels, according to official figures made public today. Reports to the government show 8,184,000 acres planted to corn this year.

## STABBED TO DEATH

Beloit, Wis., April 23.—C. P. Vance, colored, 22 years old, was stabbed to death today. The police said Cliff Logan, also colored, was Vance's assailant.

## Condensed Telegraphic News

(By The Associated Press)  
NEW ORLEANS, April 23.—Ten sugar dealers, six wholesalers and four retailers, were arrested today, charged in federal warrants with having profited in the sale of sugar. They were charged specifically with selling sugar at a higher profit than two cents a pound.

NEW YORK, April 23.—Supreme Court Justice McAvoy today granted an order to Edith Kelly Gould to serve summons and complaint in a suit for separation from her husband, Frank Jay Gould. Service upon Mr. Gould is to be made by mail at his address, Maison LaFitte, Fifth avenue.

WASHINGTON, April 23.—Attorney General Palmer announced today that investigation by the department of justice of alleged fraudulent war contracts had "uncovered illegal transactions involving millions of dollars," and that thru civil and criminal prosecutions now completed or under way, large sums would be saved for the government.

BERLIN, April 23.—(By Associated Press)—Dr. Karl Helfferich, former vice-chancellor, during a speech at Hanover, last night, aroused his hearers to enthusiasm when he attacked the government's foreign policy. Amid applause he declared the government ought to have retaliated for the French occupation of Frankfurt by breaking off diplomatic relations with France and stopping deliveries of materials called for by the peace treaty.

## HIGH COURT OF FRANCE GIVES CAILLAUX THREE YEAR'S IMPRISONMENT

Cost of Trial and Banishment  
from Country for Five  
Years Included

Paris, April 23.—The sentence decided upon by the high court for Former Premier Caillaux, it was learned this afternoon, besides three years' imprisonment and payment of the costs of the trial includes banishment for five years and loss of civic rights for ten years.

Opinions differ regarding the termination of Caillaux's prison sentence. The evening newspapers held that with allowances, the three year term has already expired, and the condemned man should be released tomorrow, when the date of his banishment should begin.

Maitre Demange, of Caillaux counsel, is a veteran of the French bar and the defender of Prince Bonaparte at Blois, in 1869, and of Dreyfus, at Rennes, in 1899. Commenting on the verdict and sentence in the Caillaux case, this evening, he said:

"I am grieved that in the declining days of my career I have tried to serve justice without finding it."

M. Demange is 80 years old. The text of the verdict against Caillaux has been finished and will be read to him at 9 o'clock tonight and then read publicly at an open session of the court.

M. Caillaux received the news of his conviction stolidly, showed temper, but at any time since the trial began. That the contest is not over and that M. Caillaux has been finished and court are fighting to the bitter end was shown this morning when after a two hours' session, the court failed to agree on the text of the verdict to be read to M. Caillaux, rejecting the text presented by the investigation commission of the senate as too severe.

Article 78 of the military code under which M. Caillaux was convicted, dates back to 1808, and was aimed especially at French business men guilty of corresponding with British brokers during the continental blockade and giving them stock exchange figures and other information.

M. Caillaux's plans have not been made public, but it is earned on good authority that he is sentenced to banishment for any length of time, he will proceed to South America.

## MINISTERS SALARIES LOW

Chicago, April 23.—The average annual salary of American ministers is \$937 and more than half receive less than the minimum workman's wage, a survey by the Interchurch World movement reveals, R. D. Jenkins, Chicago director announced today.

Less than one per cent of the clergy in the United States have a yearly income of more than \$3,000, he said the survey showed.

## WOOD PLANS TO TOUR INDIANA

Chicago, April 23.—Major General Leonard Wood, candidate for the Republican nomination for president will open a week's campaign in Indiana next Monday, speaking at Danville, Greencastle, Brazil, Clinton, Sullivan, Vincennes, Princeton and Evansville. General Wood will tour the state by automobile.

GIVES DINNER FOR  
FRENCH PREMIER  
San Remo, April 23.—Premier Lloyd-George last evening gave a dinner in honor of Alexandre Millerand, the French premier and General Berthelot, the French chief of staff.

## WARSHIPS SENT BY UNITED STATES TO MEX WATERS

Dispatched by Navy  
Department to Pro-  
tect Ports

## REVOLUTION IS SPREADING

WASHINGTON, April 23.—Two warships from the Pacific fleet were enroute tonight to Mexican waters to protect American citizens and interests at Mazatlan and Topolobampo, they were dispatched from San Diego today on orders from the navy department after a request for protection had come from state department representatives at those Mexican Pacific ports.

A similar request came from the government agent at Frontera on the Gulf coast but was not acted upon pending further investigation of the situation there. The cruiser Sacramento is at Tampico only a short distance away.

The exact situation at Mazatlan and Topolobampo was not known here. There had been no report of disturbances at either place and state department advisers say 350 troops arrived at Mazatlan.

Sonora state forces in rebellion against the Carranza government known to be pushing on towards Mazatlan, the most important Mexican gateway on the Pacific. This force is now well south of Topolobampo, but whether a detachment had been deployed to make an assault there was not clear.

There are extensive American interests at Mazatlan where the Mexican - California Steamship company has a terminal. In of Word has been received at the office of the company that both of the Mexican ports have been closed.

Georgé T. Summerlin, American charge d'affaires at Mexico City who has been consulting with Secretary Colby at the state department last night for Mexico City and it was understood that his departure had been because of the situation in Mexico. In of official circles today it was reported that General Arnulfo Gomez, former federal commander at Tuxtepec, Mexico, and General Manuel Paez, who for several years has commanded rebel forces in the Mexican oil fields, had joined forces against the Carranza government. It also was said in official circles that Col. Gallegos, commander of the federal forces at Linares, Nuevo Leon, had rebelled with his entire garrison.

## Issue Proclamation.

Agua Prieta, Sonora, April 23.—(By The Associated Press.)—Sonora revolutionists have formally declared for the overthrow of President Carranza.

A proclamation issued today by the revolutionists of the state under the title of the plan of Agua Prieta, setting forth the aims of the revolution in full. The proclamation sets up a new provisional government in Mexico with Governor de la Huerta as supreme commander.

De la Huerta is to act until governors of states joining the Sonora cause meet and nominate a supreme commander of their own choice.

A provisional president for Mexico is to be appointed "as soon as the present plan has been accepted by the liberal constitutional army."

The revolutionary soldiers are to be known as the "liberal constitutionalist" army. The liberal constitutionalist party was the cause of the revolution in the state of Chihuahua for the presidency of Mexico.

Chief interest to foreigners is found in the last article of the plan which said:

The supreme commander of the liberal constitutionalist army and all civil military authorities who support this movement will afford all legal protection and enforcement of their legal rights to all persons and foreigners and especially to the development of all industries, commerce and business in general.

"The plan of Agua Prieta," declared for effective sufrage and re-election.

Douglas, Ariz., April 23.—United States army officials are closely watching the situation brought about by the revolution in Mexico and every adequate precaution is being taken to protect American interests on this side of the boundary. Col. Alonzo Gray, commander of the Arizona military district announced here today. It was announced additional artillery was being brought to Douglas from El Paso, Texas.

The Douglas Chamber of Commerce has appealed to the war department and Major General Joseph Dickman, commander of the Southern department, asking that more troops be sent here to protect the city. In case of an attack on Agua Prieta, Sonora, by Carranza troops.

The Hague, April 23.—William Phelps, the new American minister to the Netherlands, was received at the palace this morning by Queen Wilhelmina.

## PROMINENT MEXICAN HELD IN ARIZONA ON WHITE SLAVE CHARGE

General Pesqueira, President  
of Supreme Military Court  
Was on Way to Sonora

DOUGLAS, Ariz., April 23.—General Ignacio L. Pesqueira, president of the supreme military court of Mexico and who came here to become military governor of Sonora for the Carranza government was held in custody of United States department of justice agents for almost ten hours today after his arrest on charges of violating the white slave act. General Pesqueira was arraigned before a United States commissioner and waived a preliminary hearing. He was released tonight when prominent local Mexicans put up a bond of \$5,000 for his appearance in the American federal courts. Senora Maria Rodriguez, who was detained with General Pesqueira, was placed under bonds of \$1,000 as a witness.

The Carranza official was arrested this morning when he alighted from a train from El Paso accompanied by the woman, and charged with transporting the woman from Texas for immoral purposes.

Neither General Pesqueira or Senora Rodriguez denied their relationship and General Pesqueira said that once before she had accompanied him on a trip from Mexico City to Los Angeles, Calif., and return.

General Pesqueira's family lives in the Arispe district of Sonora and is one of the most prominent families in Northern Mexico.

He is the father of nine children. He is about 65 years old. Senora Rodriguez told government officials here she was 23, that she had been married, but is not living with her husband and has a child in Mexico City.

Both said they had come from Mexico City together, that they had registered as maid and wife at a San Antonio, Texas hotel, three nights ago, and occupied the same berth on the train from El Paso to Douglas. The couple left Mexico City Sunday last according to General Pesqueira and at that time only two governors had revolted against the Carranza government with Sonora.

Paul Ortiz Rubio, governor of Michican and Governor Enrique Estrada of Zacatecas revolted, he said, "but the citizens of their states did not join and only a few men joined the two."

In a very short time the Carranza government will have full control of the revolutionary situation. The revolt really has affected but a small part of Mexico and border conditions cannot be taken as an indication of the rest of the republic. Assurance have been given the government by the most important states of their loyalty and assistance.

General Pesqueira on a previous occasion was a military governor of Sonora.

## CON CONS ADJOURN UNTIL TUESDAY

SPRINGFIELD, Ill., April 23.—After a futile attempt to hold a Friday session today the Illinois constitutional convention adjourned until next Tuesday. The convention was balked in consideration of a report of the public works committee because of the fact that only forty three delegates or eight less than a quorum, were present this morning.

When the convention reconvenes next week it will resume consideration of the suffrage committee's final report and after disposing of it will again take up the public works committee.

Chairman F. R. Dove of the initiative and referendum committee announced today he would call a meeting of this committee next Wednesday evening for consideration of the initiative and referendum proposal drafted by a sub-committee.

Captain Charles E. Merriam of Chicago, who assisted the sub-committee in framing the proposal will appear before the whole committee and explain the various sections.

## WITHDRAW TROOPS FROM KEWANEE

SPRINGFIELD, Ill., April 23.—Withdrawal of 100 troops of the eleventh infantry, Illinois Reserve Militia who are on strike duty at Kewanee, Ill., was recommended to Governor Frank O. Lowden today by the Adjutant General Frank S. Dickson, who is in personal charge of the situation.

A battalion of the eleventh infantry was ordered to Kewanee, April 14 following a request from county officials who said that strike riots at the plant of the Walworth Manufacturing company had gotten beyond their control. All but 100 of the troops were later withdrawn by General Dickson. The governor is expected to order those still on duty to return to their home station in Chicago probably tomorrow.

## FUNERALS FOR NINE- TEEN DEAD YANKS

Washington, April 23.—Burial services for 19 soldiers whose bodies recently were brought back from overseas will be held at Arlington this afternoon with the usual military honors. The bodies will be interred in the European section of the cemetery.

## ARMENIA WILL BE CREATED INTO A NEW REPUBLIC

Decision Reached by  
Supreme Council of  
Allies

## BOUNDARIES NOT YET FIXED

SAN REMO, April 23.—Armenia is to be created an independent state. This decision was reached by the supreme council of the allies today because neither the United States nor any other power was willing to accept a mandate over the country.

The boundaries of Armenia have not yet been defined and the new republic will probably be rather contracted as it is believed that the smaller the country the more easily it can take care of itself, because if too many Turks are left within its confines they might overthrow the government.

The comment of those close in relation with the council is that the league of nations has been rather slightly treated respecting Armenia. The council sent a somewhat vague letter to the league asking it to take the mandate.

The league executive committee at a meeting in Paris replied favorably, but called attention to the fact that it had no funds and no staff suggesting that the council should authorize an international loan guaranteed by the powers composing the council.

It was pointed out that the new states ought not to be burdened with a large debt to begin with and the council was also requested to eject the Turkish forces from the borders of the new state. These proposals have not been accepted by the council, which thus declines to avail itself of the league as a suitable mandatory.

It is understood that if the league had been provided with money it might have arranged with neutral governments to exercise the mandate under supervision of the league. Among the smaller powers so mentioned are Canada, especially, and if Canada would accept, then Sweden or Spain.

The council leaves Smyrna under the suzerainty of Turkey, but places the city and province under the administration of Greece. Marshal Foch will meet with Premier Lloyd George tonight and Mr. Lloyd George with Premier Millerand tomorrow eve.

Nitti Issues Statement.  
San Remo, April 23.—(By The Associated Press.)—You will have war in Asia Minor and Italy will not send a single soldier nor pay a single lire," said Signor Nitti, Italian premier, in an interview today following a critical analysis by him of the Turkish peace treaty.

"You have taken from the Turks their sacred city of Adrianople," said Signor Nitti. "You have placed their capital city under foreign control; you have taken from them every port and the larger part of their territory. And the five Turkish delegates whom you will select will sign a treaty which will not have the sanction of the Turkish people or the Turkish parliament."

## BRYAN WILL CONTROL NEBRASKA DELEGATION

OMAHA, April 23.—William Jennings Bryan will control the Nebraska delegation to the Democratic national convention, returns from 1,467 precincts out of 1,849 precincts compiled by the newspapers indicated here tonight. These figures give Bryan ten delegates and Hitchcock six. Previous returns showed an even split.

Bryan's own position in the contest for delegate-at-large was not so secure as it appeared yesterday. He dropped from first to second place in the vote outside Douglas county and was leading Berge by 1136 votes for fourth place.

In the Republican presidential contest, Johnson continued to lead Wood heavily, having 55,591 votes in 1442 precincts, including Douglas county. Wood's vote in the same number of precincts is 37,284 and Pershing's is 24,744.

## OPEN SCHOOL FOR ARMY CHAPLAINS

Washington, April 23.—A school for army chaplains will be opened soon at Camp Grant, Ill., the war department announced today. The first class of 15 students will begin their studies May 15.

**THIS IS A GOOD SLOGAN**  
Dr. Butler is not looked upon as an especially formidable candidate for the presidential nomination. However, he has one mighty strong idea running thru his platform. He declares that it is not much use wasting time condemning the Wilson policy, and says the situation demands that "all hands" turn to the work of remedying existing evils.

Stockmen think that there is not more reason why their stock should be shipped to market without any understanding as to price to be paid than is true of other products and commodities. Organized farmers may be able to bring about this change.  
The recent heavy slump in livestock prices with fluctuations of as much as \$1 a hundred in 24 hours' time has brought this matter forcibly to the attention of the farm people.

**EX-SOLDIERS DOING WELL AT COLLEGE**  
"How are the former soldiers doing at college?" is a question asked and answered in a recent publication of the United States Bureau of Education. Department of the Interior, summarizing returns to an inquiry made by one of the church boards of education, the Bureau finds that as a rule the returned soldier has fallen into his old stride and is doing work about the same as before entering the service.  
One college president reported that his ex-soldier students had not done very well and that they were restless and found it hard to concentrate on their work. This same answer was received from another institution where 16 ex-service men had registered at the beginning of the school year. Two of these had withdrawn. The rest did not do as well as hoped because of unrest due to indecision as to the future they wanted to follow and the resulting quandary as to what preparation they should make.  
The majority of schools did not accustom either success or failure of ex-service men in the first semester's work, but on the whole the men were reported as having rapidly readjusted themselves to their work.

**Houses Are Scarce.**  
The town is short of dwellings of smaller or larger size, and so we hear the yellings of heart-sick homeless guys; they hustle, helter-skelter, to try to rent a shelter of some hard-hearted pelter, unmoved by all their cries. It's hard to raise the ante, for any common gent; for he could build a shanty with what he pays for rent; but there's no builder willing to take his hard-earned shilling and help him make a killing, and hence his loud lament. I see the homeless hikin' around me everywhere; their bosoms they are striking, and tearing of their hair; men flaunt their rolls of kroners, and cry "Rent us a shack, or we are simply goners, alas, and eke alack! Our kids and wives are weeping, for they must do their sleeping in barns where rain is seeping through every beastly crack! Our uncles and our grannies in corners sit and sigh, while through the open crannies the winds go whizzing by; then rent us, my master, a house with lath and plaster, or there will be disaster, and fireworks popping high! In vain—there are no houses that they can rent or hire, which growsome fact arouses my stern pacifist ire; that men who have the plunder can't rest, a rooftop under, fills me with wrath and wonder, the while I kick my lyre.

**SOME PERTINENT POLITICAL TRUTHS FOR WOMEN**  
Some pertinent truths for women voters have been issued by the Ohio Republican women and equally applicable to the women of Illinois.  
A direct challenge is given the Democratic party, by the suffragists in the Ohio Republican Women's Organization. Appealing to the women of the state to pledge their allegiance to the Republican party, Ohio suffragists declare: "The Republican party is distinctly the women's party."  
"Why? For the best reason in the world—a Woman's Reason: "Because the Republican party has always been the guardian of the home and of clean living."  
"Because it was by the Republican majority that the suffrage

**MORGAN COUNTY TEACHERS MEETING**  
Was Held in David Prince Building Friday—Addresses by F. G. Blair and Ivan Rossiter.  
The Morgan County Teachers' association held an institute yesterday at the David Prince school building. The county schools for the most part were closed in order that the teachers might attend the institute.  
Ivan Rossiter was the principal speaker of the morning session, his subject was "Education in Germany," which he handled in such a way as to show the school system was in large part responsible for the mode of thinking prevalent among the Germans.  
The afternoon session was opened by Miss Louise Miller, who sang a group of songs. Mrs. P. C. Thompson read a clever little comedy. Miss Ethel Wylder gave a gymnasium exhibit of the boys and girls of the David Prince school.  
Hon. Francis G. Blair, state superintendent of public instruction, made the address of the afternoon in which he emphasized the importance of inspiring the students with lofty ideals, and the need of our getting away from the materialistic.

**URGES PEOPLE TO FIGHT CATARRH WITH SIMPLE HOME MADE REMEDY**  
Can Make Pint at Home and Costs Little, Says Leading Druggist of Covington, Ky., Who Has Made Special Study of Catarrh.  
**Says: Inflamed Nostrils Invite Influenza**  
People who say that catarrh is a disease not to be taken seriously are harshly rebuked by a Kentucky druggist who has for years been much interested in the growth of this loathsome, yet altogether too common disease.  
He claims that the sore, tender, inflamed membrane of the nostrils and throat is a prolific breeding ground for germs, not only the germs of Influenza, but many other kinds as well.  
If people would only stop experimenting for two weeks and try a simple remedy made of Mentholized Arcline mixed with enough boiled water to make a full pint, half of the catarrh in this country would be abolished. It's really no joke for people who don't know about this simple recipe to be constantly sniffing and snuffling, blowing and hawking, when all these obnoxious symptoms as well as the foul discharge can be made to disappear in a few days.  
Ask for three-quarters of an ounce of Mentholized Arcline—that's all you need and after you have mixed it with enough boiled water to make a pint, gargle the throat twice daily and sniff or spray some up the nostrils, as directed.  
The tender nostrils will soon lose their soreness, heal up, and be clean and healthy.

**We Are No Stronger Than Our Fighting Blood**

**Physical Fitness Our Sole Reliance**

Courage without physical fitness is absolutely worthless. That is why our great army was made up only of men who were without the slightest physical defect.

But there is constant warfare closer home, that you are vitally interested in. It is the warfare of disease against your health, a struggle that is always going on, and one for which you must always keep your system prepared.

And your blood supply is the fortress upon which you must depend. If it is kept pure and free from any weakening influence, the germs of disease cannot find lodgment, but are promptly expelled, and good health is assured.

But you should take no chances with this mainstay of defense. Impurities are liable to creep into your blood and so weaken your system that it is unable to resist even the most ordinary ailments. This means the beginning of an attack which will result in the undermining of your health.

S. S. S., the world's most renowned blood remedy, will tend to keep the blood absolutely pure and free of impurities. This great old remedy, which has been in constant use for more than fifty years keeps the system in perfect condition by tending to purify the blood and cleansing it thoroughly. **Will They Pass Laws Compelling People to Use Pure Toilet Soap?**

—or laws enforcing the manufacture of strictly pure Toilet Soap? There are laws prohibiting use of public drinking cups, and of public towels. Because they have been found to be unsanitary.

Can dirty towels be any more dangerous than impure soap? Not a bit. Not as much. Impure soap does not stop on the surface of the skin. It goes right down into and clogs up the pores of the skin.

If it isn't washed out it either hampers the action of the pores or is finally absorbed by the skin. Either way is bad enough.

Everyone should be extremely careful in selection of a Toilet Soap. Can't be too discriminating.

Remmo Sterilized Toilet Soap is a safe choice, always. The soap is absolutely pure. It is made only of select materials of the highest quality. Then the combined ingredients are sterilized at 198 degrees Fahrenheit—just as a surgeon's instruments are sterilized to purify them.

There is a world of enjoyment in the use of Remmo Sterilized Toilet Soap—and there is the solid satisfaction in knowing that the soft, rich lather that feels so good is not only cleansing the skin but actually benefiting it—removing dust, grime and dirt—leaving no impurities of any kind imbedded in the tiny pores.

If you prize cleanliness and appreciate its value to health and complexion beauty you certainly should demand and use Remmo Sterilized Toilet Soap.

Mr. and Mrs. Ray Jennings, of Litterberry, were visitors in the city Friday.

## How Long Will It Last?

Folks are just beginning to learn that batteries wear out just as surely as tires.

And having learned that fact they ask how many months or how many miles the battery is good for.

So the dealer must either guess, give instances, or confess he doesn't know.

As a matter of fact there is only one measure of a battery's life. It will serve as long as solution is present, plates hold together, and insulation is intact. The better the insulation, the greater the chance of the battery for a long, useful life. This alone more than justifies the long search which ended in the perfection of Willard Threaded Rubber Insulation. Its effectiveness has been proved by the long average life of the batteries in which it was first installed over four years ago.

WOMAN'S CLUBS OF  
WHITE HALL UNITE

Various Organizations Will Work as One Body — Former Resident Dies in St. Louis.

White Hall, April 22.—The women of White Hall are becoming more and more organized and federated, and they are to be reckoned with in the future if a meeting Tuesday afternoon in the Presbyterian church is a criterion. The women have federated their club activities under one head, that will enable them to become more of a force in civic matters and reduce the expense of representation at state and district federation meetings. The new federation comprises the Round Table, Music Club, Air League, Domestic Science Association, Adolphian Society and the Apple Creek Prairie Club. Officers were elected as follows: President, Miss Edith Chapin; vice president, Mrs. M. J. Black; secretary, Mrs. Claude Lowenstein; treasurer, Miss Helen Worcester. Plans for the second meeting were placed in the hands of a committee composed of Mrs. Posie B. Fry, Mrs. William Blake, Miss Alice Potts, Mrs. A. W. Foreman, Mrs. Guy Greene and Miss Minnie North. There were a few special numbers on the program of the afternoon, which included a piano number by Miss Adelaide Foreman, and a vocal trio by Mrs. J. E. Silkwood, Misses Bird and Laura Duncan. Miss Chapin outlined the work and organization of the Rock Island federation, and Mrs. G. W. Whiteaker, the Kearney, Neb., federation. Mrs. Black spoke of the Near East Relief movement, she having been a delegate to the recent convention at Chicago, and advocated the adoption of an Armenian orphan by the new local federation. Miss Mary Ellis served as temporary chairman.

It was announced that the Round Table is rehearsing the farce comedy "Sowing Wild Oats" for presentation at the Princess theater on May 3. There will be some fifteen characters in the cast, composed of talent of the Historic Society and the High school.

The W. C. T. U. was meeting at the same time at the home of Mrs. Pierce Wilfong, but no action was taken in the matter of affiliating with the federation. Child welfare was the subject under consideration, the leader being Mrs. Bert Nevins. Miss Lucille Nash gave a reading, and some time was spent in sociabilities. There were nearly twenty present, including some visitors. Mrs. William Mace is president and Mrs. Juile Hubbard secretary of this organization.

The first anniversary of the second century of Odd Fellowship will be observed in the lodge hall here next Monday night, with a banquet and a literary program.

Dies in St. Louis. The death of Mrs. E. C. Clark, of Carrollton, formerly Miss Addie Vedder, of White Hall, occurred in St. John's hospital in St. Louis at 5 o'clock this morning, and her passing has caused wide regret over the community of her former home. She was the daughter of the late Frank L. Vedder, and the family has resided at Carrollton for the past few years, the aged mother just now recovering from a long and critical illness.

Our subject graduated from the White Hall High school with the class of 1896, there being 26 in the class, and hers is the eighth death among the class membership. About fifteen years ago she and E. C. Clark, the latter of Carrollton, were married, and that city has since been their home. A daughter, Ella Virginia, aged four years, survives. The mother and two sisters, Vinnie and Grace, reside at Carrollton. One brother, Guy, resides in Arizona. Her age was 42 years. She was taken ill about ten days before her death and was rushed to the hospital a few days later, where she underwent an operation but her heart was too weak to withstand the ordeal.

## FINED FOR SHANTUNG

Budapest, April 23.—The name of Bela Kun, former communist dictator, has come into popular use as a term of insult. A man recently brought a libel action against his neighbor because in the heat of a quarrel the latter shouted at him: "You Bela Kun!"

The court fined the defendant.

## FIRE LOSSES IN

U. S. \$325,000,000. Chicago, April 23.—Fire losses in the United States in 1919 totaled \$325,000,000. John G. Gamber, president of the Fire Marshals' association of North America said tonight at a meeting of the executive committee of the association. Shingle roofs, imperfect electrical installation and carelessness were the cause of a majority of the fires.

BEAVERS FUNERAL AT  
BLUFFS THURSDAY

Mrs. Eliza Beavers, Long Time Resident, Laid to Rest Thursday Afternoon — Other Bluffs Items.

Bluffs, April 23.—Funeral services were held at the family residence, two miles south of town, at 2 o'clock Thursday afternoon, for Mrs. Eliza Beavers, who passed away Monday after an illness of two weeks.

The service was in charge of Rev. Scott Peake, of Exeter, assisted by the Rev. E. D. Palmer, of Bluffs. The music was furnished by Mrs. Dean Wildy, Mrs. Arthur Pyle and Miss Vera McCaleb. The flowers were in charge of Misses Emma Korty, Beatrice Morris and Irma Berry. The bearers were Thomas Buchanan, William Tholen, Leo Morris, Irwin Burbank, William Botterbusch, Sr., and Fred Korty. Burial took place at the family lot in the Exeter cemetery.

Obituary. Eliza Tankersley Beavers daughter of Edward and Mary Tankersley, was born near Lynxville, in Scott county, Illinois, on November 3, 1834, and departed this life at her home near Bluffs, April 20, 1920, after having reached the ripe age of 85 years, 5 months and 19 days. She was the last of a family of ten children. She lived on the farm with her parents until December 12, 1850, when she was united in marriage to Jasper Beavers, also of Scott county. Ten children came to bless this union, five of whom have passed to the life beyond. Alice, who died in infancy; Clara, Mrs. Loretta Thelia, Henry and Frances Beavers. The following survive: Mrs. Emmeline Smith, of Bluffs; Mrs. Lyde Cannon, Colony, Kans.; Logan, Ira and Newton, Bluffs. Her husband preceded her in death April 23, 1886.

At an early age she united with the Christian church at Lynxville and lived a consistent Christian life until the final summons came. She had resided in this community for the past 65 years, having been one of the early pioneers of the county. Mother has gone, but her beautiful deeds of loving kindness, the lofty ideals that she strived to place before her children and her friends in the community where she resided shall live on.

The following were out-of-town attendants at the funeral: Mrs. Mary Dunovan, son Newton and daughter Miss Daisy; Mesdames Anna Lewis and Ollie Craig, of Jacksonville; Mrs. Alice Andell, Leonard Tankersley and Miss Lillian Kincaid, of Winchester, and H. G. Rockwood, of Springfield.

Mrs. P. M. Green, assisted by her sister, Mrs. Elizabeth Fitzsimons, entertained at a 6 o'clock dinner, Thursday, for their friend Miss Bernice Wolford, who is soon to become the bride of Mr. Addis Fuson. The dinner was prettily decorated for the occasion, the color scheme being pink and white, with pink rainbows. A dainty four-course luncheon was served and the evening spent in a pleasant social manner, with music and games.

ATTEMPT TO TALK  
WITH MARS FAILS

GAMER RANCH, Cedar Creek, Neb., April 22.—Dr. Frederick E. Milliner and Marvey Gamer, electrical experts failed in their efforts early today to catch a signal from Mars. The attempt will be renewed tonight.

Waiting tensely beside what is probably the largest wireless apparatus ever constructed, Gamer listened throughout the night and far into the early morning hours for a sound never yet heard by man.

Time and again Dr. Milliner reduced the wave lengths so that stations such as the Hawaiian Islands, Berlin, South America and England could be used to test the wires. The code came flowing in clear and metallic.

Then as the wave gradually lengthened all the notes of the scale sounded higher and the highest tone passed beyond hearing. At this point the message anticipated by Marconi might be heard.

Yet no sound came except the broken clatter of static disturbances.

As dawn broke the seance ended and Dr. Milliner and Gamer gave over to the first effort to pierce the infinite.

## SWINDLE GOVERNMENT

OUT OF THOUSANDS. Chicago, April 23.—Warrants were issued today for six of the leading theatre ticket brokers charging them with defrauding the government of approximately \$100,000 in war taxes during the past year.

Two of the six are women. One, Mrs. Florence Couthout, operates ticket agencies in most of the loop hotels and is the agent for more than half of Chicago's theatres.

## REMEMBERS EMPLOYEES

IN WILL. Omaha, April 23.—The will of the late H. C. Bostwick, banker, died today, left sums ranging from \$500 to \$5,000 to his valet, barber, cook, janitors and other employees.

There were bequests also for officers of his bank and other close friends and relatives. The total amounted to \$100,000.

## Funerals

Wingler.

Funeral services for Roy Wingler were held from the Gilliam undertaking parlors at 10:30 o'clock Friday morning in charge of the Rev. G. T. Wetzel. Music was furnished by Mrs. Tindall, Mrs. Frank Wingler, G. T. Wetzel and W. W. Gzilham. The flowers were cared for by Rebecca Wingler, Agnes Arundel and Irene Bryan.

Burial was in Jacksonville cemetery, the bearers being, George Mathews, Russell Burmeister, Marion Thompson, Russell Thompson, Clarence Taylor and John Hught.

Glover.

Altho there was no notice in advance in the press of the time and place of the funeral of the late E. F. Glover, still a goodly number of friends and sympathizers gathered at State street church yesterday afternoon at 4 o'clock to pay the last tribute of respect to one whom they had known and esteemed highly in life.

Mrs. Coddington, daughter of Rev. T. H. Hull, most sweetly sang an appropriate song, "No Night There." She was ably accompanied on the piano by Willard Wesner, who also played other appropriate selections. The services were conducted by Rev. W. H. Marbach, who read suitable portions of scripture and offered an earnest prayer. He then said his thoughts would especially revert to the 23d Psalm, of which he would think in terms of the life of the departed brother. Mr. Glover was linked with the history of State Street church in no ordinary manner. I well remember reading the sermon of his brother, pastor of the First church, on the occasion of the 25th anniversary, with the church. The many names and incidents were not familiar to me, still I could enjoy the words of an earnest, consecrated man, and I regard it an honor and privilege to be a successor to such a man.

Our brother was a deacon in the church and his wife was ever a faithful worker. He belonged to a prominent family, and his brother, the late Dr. L. M. Glover, was pastor of First church for 32 years and was a man of wonderful reputation.

In contemplating the words of the 23d Psalm, we should read it with hope and good cheer. Our brother had passed four score and had done his life work. We can think of the psalm both with a backward look and gaze into the future. It is truly a song of the heart, but it is one which arouses the warmest and most blessed hopes.

Life is much more than logic or bare facts. It is fraught with the impulses of the heart and soul, and so we are here to pay today the last tribute of respect to one who had lived for many years, and to him especially do the words of the shepherd psalm apply.

It tells of the care the heavenly Father has for us and the manner in which we may trust him. We love to think of a pastor as a shepherd of the flock; one who looks after their spiritual wants and needs. The life of our brother was much in green pastures beside still waters and when he came to the valley of the shadow of death he truly feared no evil, for he well knew who was with him.

When, in 1882, he lost his wife, then he knew what it was to pass thru the deep waters of affliction and then it was that the supporting arms of the Good Shepherd were about him. He could trust then for he knew his guide and feared no evil.

The flock of the Good Shepherd are independent of enemies, for they have a table spread before them in the presence of those who would do them harm but to no purpose when they have the omnipotent protection of the Master. He will now dwell in the house of the Lord forever.

The discourse was closed with that beautiful poem of Tennyson, "When I Cross Over the Bar," written when the great man was 82 years old, as was the deceased. At the close of the services the remains were borne to Diamond Grove cemetery by Messrs. T. M. Tomlinson, George Hollinger, J. W. Walton, Irvin Stevenson, John L. Johnson and James Dobyns.

Among those present at the funeral were Mrs. Edward Higginson, niece of the deceased, and at whose home in Wichita, Kans., Mr. Glover passed away; John Glover, a nephew of the deceased, and residing in Indiana, and a grand nephew, Livingstone Glover, son of the late Lyman B. Glover, of Chicago.

Enjoyable Event Took Place at  
Christian Church—High School  
Declamatory Contest Held—  
Other Winchester News.

Winchester, April 23.—The Winchester volunteer fire department gave a banquet in the Christian church Friday evening which was thoroughly enjoyed by the large company present. All assembled in the auditorium of the church at 6:30 o'clock, at which time William Wainwright presided, and a brief program was rendered. Miss Ethel McClure rendered an organ solo in an excellent manner and Miss Frances Coultas gave a solo "Rose of My Heart." She responded to a hearty encore with "Dear Old Pal of Mine."

At the close of the program all repaired to the dining room of the church where a most excellent banquet was served by the ladies of the Christian church. The menu included baked chicken, mashed

Represented Fire Marshal  
Following the serving of the banquet Mr. Wainwright introduced J. D. Elders, a representative of the state fire marshal. The latter sent a message expressing regret at his inability to be present on account of an important fire prevention meeting in Chicago. Mr. Elders' subject was "Fire Prevention," and the speaker gave the address which would have been given by the fire marshal himself had he been present. Later Mr. Elders made an informal address on his own account on "Some Fire Causes."

Samuel Hunt, fire chief of Jacksonville and state vice president of the firemen's association, next made a brief talk. The speaker referred to the long period in which he had been engaged in his present work and said that the subject of fires and their prevention was the only one upon which he felt qualified to speak. His words were heard with great interest.

M. C. Hook of Jacksonville also discussed fires and prevention of fires and Herbert Capps, also of Jacksonville, was introduced for a brief address.

Mayor McLaughlin of Winchester was next heard in some worth while remarks and then Fire Chief Harry McCarty thanked the people of the town on behalf of the members of the fire department for the help given them at various times during the year. He would soon expire and he hoped the people would support his successor in the loyal way in which they had supported him.

The next speaker was John H. Coats, who discussed "Fire Fighting in the Past and Present." The speaker first told of delivering in early days buckets to the stores of Winchester as fire fighting apparatus, and gave many interesting facts about the developments which time has brought.

Henry Higgins was to have talked along the same line but was unable to be present. Robert Sperry of the Herald office, ex-chief, presented the subject, "The Present Fire Chief." He gave to Mr. McCarty great credit for the activity he had displayed in obtaining the auto truck for the Winchester fire department.

The chairman in his brief closing remarks thanked the women of the church for the excellent menu served and expressed appreciation of the interest shown by those present.

Those present in addition to the ones already named were members of the fire department and their wives, members of the city council and their wives, and a few invited guests.

Declamatory Contest . . . .  
The annual high school declamatory contest was given at the Lyric theatre Friday evening and proved a most interesting event. The program opened with music by the high school orchestra and then followed the numbers indicated below:

No. 1—"The Death Disk"—Katherine Glossup.  
No. 2—"When Montey Came Home from the Marne"—Marie Ruth McDonald.  
Vocal solo—Emma Bates.  
No. 3—"As the Moon Rose"—Josephine Balsey.  
No. 4—"The Throne of Opar"—Miss Della Bell.  
Music—Orchestra.  
No. 5—"Ole Mistus"—Iras Henry.

No. 6—"The Gypsy Flower Girl"—Katherine Chance.  
At the close of the program the judges made their decision which was: first honor, Miss Iras Henry; second, Katherine Chance. Miss Josephine Balsey received honorable mention. An unusual feature of the event was the fact that Miss Della Bell wrote her own selection. The judges were Mrs. Lee Cunningham, Glasgow; Miss Chapman, Roodhouse; Miss Burnett, White Hall.

News Notes  
Mrs. Charles Rose of Alsey was a visitor in Winchester Friday. Mrs. J. J. Cathcart and daughter, Mrs. Walter Swanson, of Galesburg, arrived Thursday for a visit at the home of Mrs. Cathcart's mother, Mrs. William Hart.

Mrs. J. P. Atkinson arrived Friday from Waverly where she has been visiting relatives.

Mrs. James Schofield arrived from Altamont, Kans., to visit her mother, Mrs. William Hart. The latter has been quite ill but is now somewhat improved.

Mrs. W. H. Kinison left Friday for White Hall and Greenfield to serve as a judge in an oratorical contest.

As P. D. Smith was on his way down town Friday morning he noticed fire on the roof of the residence of T. B. Smithson. The fire department quickly responded to the call and the flames were extinguished before great damage was done.

William Scott arrived Thursday from Tuscola and is shipping his household effects there, preparatory to taking up his residence. James Tankersley, who was recently injured while practicing the pole vault for the meet at Griggsville, is able to return to school, although he still uses crutches. He tore the ligaments of his ankle and the injury was such that he was kept at home for several days.

J. H. Coats will hold a sale of household goods Saturday afternoon. He and his wife will remove to St. Louis in the near future. Giles Tankersley will occupy the residence Mr. Coats is vacating.

Supreme Court Reverses Decision  
in Dodsworth-Anderson Case—  
Involved Land Lease.

The supreme court filed an opinion Thursday reversing the decision of the circuit court and appellate courts in the case of W. T. Dodsworth vs. J. C. Anderson. The suit was brought by Dodsworth to recover possession of a farm. The decisive point in the case hinged on the construction of the lease.

The circuit court and appellate court were reversed by the supreme court which held that the tenancy was from year to year and required sixty days notice before commencing the suit, no such notice being given the supreme court says the action was premature.

Thompson and Thompson were the attorneys for the defendant.

## FAITH

Good Old Fashioned Faith  
—That's What The World  
Needs Most

WHAT is the cure for the world's present troubles—for unrest and envy and covetousness and fear?

Legislation? Industrial compromises? Political readjustments? We've tried them all, and they do not satisfy.

We're hungry and thirsty for Faith.

"The world needs a genuine religious revival," cabled the London financial editor of the New York Evening Post recently. And he added: "This is the view of hard-headed business men."

What business men are now proclaiming the churches have always proclaimed. You must touch the spirits of men if you are to change their lives: only to the extent of their faith in each other can they work together. All remedies are makeshifts except the Golden Rule.

Thirty denominations, knowing the need to be too great for any one denomination to meet alone, are cooperating in a nationwide campaign.

It is a campaign for deepening the spiritual forces of men; for enlisting their hearts, and their pocket-books too. And every man and woman who loves America will be glad of a chance to help.

For the hope of America is Democracy and the Founder of Democracy was the Founder of the Church. It was He who first called men sons of God, and so made all men brothers.

Not as employers and employees, not as members of parties or sects, but as sons of God and brothers all let us work out our problems together.

To strengthen the Church is our first great task; out of the Church flows Faith.

The INTERCHURCH World Movement  
of North America

The publication of this advertisement is made possible through the cooperation of thirty denominations

To bring men back to the spiritual standard, to make Christ's principles an impelling force in the reconstruction of society, and to teach men to think true and live true is the mighty task to which the church is called.

ROBERT LANSING, Chair'n Gen.  
Council, Interchurch World  
Movement

The only real and permanent solution of the vexing problems which seem more acute than ever since the end of the World War is the application of the Golden Rule.

JOSEPHUS DANIELS,  
Secretary of the Navy

The spiritual side of man's nature has been too much neglected, and we need a new birth of righteousness that will restore the true relation between spiritual and material things.

W. B. WILSON,  
Secretary of Labor

For our own sakes, for our children's sakes, for the nation's sake, let us business men get behind the churches and their preachers! Let us from this very day give them more time, money and thought, for upon them the value of all we own ultimately depends.

DO not make the mistake of thinking that cocoa is only an occasional drink. It is so valuable a food beverage, so rich in the elements of nutrition, so delicious in flavor, and so wholesome that it should be used regularly and often.

Be Better Looking—Take  
**Olive Tablets**

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.  
Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.  
They start the bile and overcome constipation. Millions of boxes are sold annually at 10c and 25c. Take one or two nightly and note the pleasing results.

**BOWELS SO BAD HE  
TOOK QUART OF MIN-  
ERAL WATER A DAY**

Mr. Whitesides was in a bad way. Tells how he got over it.

"I suffered for years with stomach trouble and constipation. I got so I could eat nothing but soft food and had to take a quart of mineral water a day for my bowels. I decided to try Dr. Edwards' Olive Tablets and have used 3 bottles. The results have been wonderful. The soreness left my stomach, I can eat solid food, my bowels have improved and I feel like a new man. Anyone suffering as I did should lose no time in starting on Dr. Edwards' Olive Tablets."—M. F. Whitesides, 214½ S. 6th St., Springfield, Ill.

The more physics you take, the more you'll need. Break away from him. Milk's Emulsion costs nothing at all to try.  
Milk's Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all seed of pills and physics. It promotes appetite and quickly puts the inactive organs in a shape to assimilate food. As a builder of flesh and strength, Milk's Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in restoring and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day. This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milk's Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c per bottle. The Milk's Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

## ARRANGE FOR CYCLING TRYOUTS

New York, April 23.—Plans  
and arrangements for the holding  
of cycling tryouts for the selec-  
tion of track and road riders to  
represent the United States at the  
Olympic races in Belgium were  
discussed today by the executive  
committee for cycling of the  
American Olympic committee.

It was decided to hold the  
track tryouts at Newark, N. J., as  
early as possible in June. There  
are four track events on the  
Olympic program, ranging from  
1,000 meters to 50 kilometers,  
and the road race will be over a  
distance of 175 kilometers.  
Several tryouts for the road  
event will be held in different sec-  
tions of the country.

## LEE A. SULLIVAN HAS STRENUOUS TRIP

Member of Eli Bridge Company  
Hauls Material for Company  
from Chicago to Joliet—Ships  
it Together with Truck from  
There.—Joliet. Filled With  
Trucks Hauling Delayed Freight

Lee A. Sullivan of the Eli  
Bridge company, went to Chicago  
Sunday night to see if anything  
could be done to secure delivery  
of badly needed material at the  
Eli plant.

Reaching Chicago Monday  
morning he found that a Master  
Truck on order would be ready  
for delivery Tuesday evening.  
He got busy with the railroads  
different material houses and  
found that by hauling this ma-  
terial to Joliet, that the C. & A.  
would receive it there, and ship  
it out promptly to Jacksonville.

Wednesday morning he took  
the new truck, gathered up the  
material, and at 1 o'clock pulled  
out for Joliet with a heavy load,  
56 miles away.  
He found the roads were  
brick and concrete as far as  
Chicago Heights and a stone road  
which he said was about like East  
College avenue from Chicago  
Heights to Joliet. He pulled into  
Joliet Wednesday evening and in-  
quired about the roads and was  
informed that for 11 miles out of  
Joliet was a good rock road, and  
then he would strike 17 1-2 miles  
of dirt roads which was absolutely  
impassable for an empty car. So  
he wisely decided to also load the  
truck and ship it on to Jackson-  
ville, as it was badly needed at  
the plant.

He was informed that there  
was estimated to be at that time  
500 cars in Joliet enroute from  
factories to different points wait-  
ing for the roads to dry out  
of Joliet. And this number be-  
ing added to every hour. These  
cars came into Joliet over the  
rock road and couldn't get any  
farther. It was still raining at  
Joliet when Mr. Sullivan left  
Thursday noon.

This shows the straits to which  
the manufacturers are put to se-  
cure their material. When a  
man has to go to Chicago and  
haul his material out 6 miles to  
get it out, the situation is deper-  
ate. The freight house are con-  
gested and long lines of trucks  
waiting to unload and while the  
railroads are receiving freight,  
it took one shipment of khaki  
nine days to get from the Carpen-  
ter Company in Chicago to the  
EH shop in Jacksonville. This  
shows the congestion of freight  
and the slow movement.

It is very much a question  
whether the state officials by de-  
ferring road building at the pres-  
ent time have hit a popular chord  
with business men. Many say it  
is better to pay the price and get  
the roads so they can be used than  
it is to do without, and in Joliet  
hearing the conversation of the  
many men that are tied up there  
with cases enroute west, one cer-  
tainly would not think that the  
actions of the state officials met  
with the approval of that bunch  
of men.

Mr. Sullivan reports that much  
material is being hauled from as  
far away as Toledo and Detroit  
by truck to Chicago, and from  
Chicago out to some points that  
far distant, where roads will per-  
mit. And much material would  
be hauled this direction were the

roads so it could be done by auto  
truck.

We believe that this spring of  
bad mudholes and impossible  
roads will lead to a demand on the  
part of business men that some-  
thing be done with the millions  
of dollars of automobile tax  
money piling up for roads, and  
that something be done now.

## Ask An Owner

A motor truck represents an investment in hauling equipment. The truck that does the work year in and year out at the lowest cost proves to be the best investment. Ask any owner of an International Motor Truck and he will tell you the International cuts the cost of hauling down to the lowest practical point.

## International Motor Trucks

Some day you will buy a motor truck. If you are the kind of a man that is not satisfied with anything but the most economical truck for hauling and delivery work, drop us a line, call up, or come in and see us. The more you know about motor trucks, the quicker we can convince you that the International is a mighty good truck to own. There is a style and size to meet almost every hauling requirement.

# Daily Market Report

## STOCK MARKET

**HEAVY AND IRREGULAR**  
New York, April 23.—Stocks were heavy and irregular during the greater part of today's active session, becoming weak in spots at the close. Aside from specialties still under pool control, the market reflected the uncertain movements of mid-week.

Further liquidation in several of the more popular industrials was ascribed to involuntary selling and for speculative interests at interior points, where contraction of credits continued to manifest itself.

The attitude of the federal reserve bank in this connection found expression in an advance by the Philadelphia, Chicago, and Richmond branches of discounts on treasury certificates of indebtedness to 5 1/2 per cent.

Call loans held at the prevailing 7 per cent rate. There were virtually no offerings of time money.

Heaviest selling of stocks occurred in the final hour, high grade oils leading the extensive reaction when reports of fresh troubles in Mexico gained currency. Mexican Petroleum made an extreme decline of 10 points, Pan-American dropped also as much, and the entire list, including United States Steel, yielded to 5 points from mid-session prices.

Among the few issues conspicuous for their strength were Republic and Lackawanna steels and several of the motor accessories; but rails, shippings, food issues and sundry specialties lost all or more than they had gained in the general setback at the end. Sales amounted to 1,450,000 shares.

Liberty bonds gave promise of further recovery in early dealings but eased later, when investment and foreign issues became heavy. Total sales (par value) aggregated \$19,650,000.

**CORN MARKET CLOSES NERVOUS**  
Chicago, April 23.—Despite some stubborn resistance, the corn market finally gave way today under the bearish influence of weakness in New York stocks.

Corn closed nervous, 3 1/2 to 1 1/2 net lower, with May, \$1.57 1/2 to \$1.56, and July, \$1.57 1/2 to \$1.56. Oats finished at 1 1/2 net decline to 1 1/2 advance, and provisions unchanged to 3 1/2 higher.

At first the corn market showed a decided upward tendency, with the attention of traders directed largely to the big export demand for wheat and rye, especially as Argentine prices for wheat had risen to a point which made wheat from the United States much more advantageous for Europe.

### WHEEL TAX IS STILL COMING IN

Chief Kiloran Reports Most Satisfactory Response to Notices—More Non-Residents Pay Tax.

Chief of Police Kiloran reports that the collection of wheel tax is progressing in a most satisfactory manner.

So far there has been a ready response to the notices sent out. The chief said there had been no complaint and that generally citizens seem to realize that the city must get more revenue if it is to go forward.

Non residents still show a willingness to pay the tax. In the last few days several have come to the city hall and paid the tax. Among them are Dr. A. B. Applebee, two cars; H. E. Elliott and Dr. T. J. Pitner.

### ROTARY MET AT WEEKLY LUNCHEON

Hon. F. G. Blair Made Address and Pointed to People's Debt to Teachers—Miss Harper Gave Reading.

At the Friday luncheon of the Rotary club, Hon. F. G. Blair, state superintendent of public instruction gave an address. Miss Esther Harper, of the Woman's college, gave a reading and Miss Anne Hinrichsen, of the state department of public welfare, spoke briefly.

The next Friday meeting of the club will be held at 6 p. m., in accordance with the rule providing that the last session of each month shall be devoted to business affairs and held in the evening. The new officers and directors will take charge of the club affairs May 1.

Miss Harper gave George Fitch's "The Funeral That Flashed in the Pan." It was one of the "Good Old Siwash" stories and the Rotarians found it both interesting and exceedingly well done. Miss Harper has made an excellent record in the department of expression at the Woman's college, and was awarded first prize in the contest held earlier in the present week.

Superintendent Blair, who is a member of the Springfield Rotary club, mentioned the meeting and work of that organization and spoke of the advantage there is in having professional and business men and citizens in all lines of work meeting on a common plane and on such terms of comradeship that a better understanding of men and conditions results. Turning his attention to the educational problem of the day, Mr. Blair presented the matter of teachers' salaries in a most forceful way.

"There are about 45,000 teachers in the state," Mr. Blair said, "and if they were marching along Michigan avenue in Chicago eight abreast and at the distance apart usual in a marching column, it would take about eight hours for them to pass a review stand. If banners were used to indicate the period of preparation for teaching work you would have a considerable number whose student days did not exceed beyond the seventh grade. Other thousands who are in teaching work have merely completed high school courses. Then there are other thousands whose work beyond the high school has been a brief period in a normal school. Only a small percentage of our teachers have taken college work. Unusual conditions have brought many people into teaching work and it may be said that unusual conditions have taken many others out of teaching work into lines more profitable.

"I have in mind the principal of a school in a Northern Illinois city who is competent and experienced and is being paid a salary of \$125 a month for nine months each year. In her classes is a lad 14 years of age who attends railroad watch tower in certain hours of the day in which he is not in school and that lad's pay is \$137.50 a month. This may be an extreme instance, but it is illustrative of the fact that teachers' salaries must be adjusted to the times, if we are to have qualified men and women for this work of the class room and if we are to attract young men and young women into the teaching profession.

"This problem is one that the whole state faces, and on its proper solution depends much of our citizenship of the future. If we are to teach Americanism, if we are to give real education in the schools, we must have men and women for the work who are qualified by training and character."

Miss Hinrichsen, who is doing an important work in the state department of public welfare, referred only to her observation of the Rotary club work in a number of the cities she has visited in this and other states.

### Social Events

#### Friday Social Circle

The Friday Social Circle held a regular meeting yesterday afternoon at the home of Mrs. John Clary, on West North street.

The afternoon was spent in a general social way, after which the hostess served refreshments.

#### Elks Entertain Members of Jollies Cast

Jacksonville Lodge No. 682 B. P. O. E. entertained the members of the cast of the Elks Jollies at a dance at the Peacock Inn. The entire cast was present and a most enjoyable evening was spent dancing to music furnished by Labby's Jazz band. Frappe was served during the evening.

#### Walohi Campfire Entertained By Miss Haerle

Miss Emma Haerle entertained the members of the Walohi Campfire at her home, on Kosciuszko street, last evening.

After the regular business meeting, a guessing contest was held. This was won by Miss Elsie Cannon.

The hostess, assisted by Miss Eunice Haerle and Mrs. Robert Mullineux, served delightful refreshments.

#### Parent Teachers

##### Second Ward

The Parent Teachers' association of the Lafayette school met yesterday afternoon at the school.

Mrs. James Coddington favored the association with a solo, after which Miss Colley made an interesting talk on the work which is being done by the Social Service League. Miss Margaret Capps played a piano solo.

The program was followed by a social hour, during which light refreshments were served.

#### Miss Grace Hamilton Surprised on Birthday

A very pleasant surprise party was given Thursday evening in honor of the birthday of Miss Grace Hamilton, at her home 419 East North street. The affair was planned by Misses Gladys Hamilton and Linerva Wharton. The evening was spent with music and dancing, and in the contests the prizes were won by Misses Helen Rustemeyer, Teresa Lonergan, Grace Hamilton and Leo Hamilton. Mrs. Claude Vail and Mrs. G. W. Hamilton assisted in entertaining.

The Hamilton home was tastefully decorated for the occasion, pink roses and other flowers being used in the various rooms. The guests brought with them many useful and acceptable gifts for Miss Hamilton. At a late hour delicious refreshments were served.

### ILLINOIS COLLEGE WINS AND LOSES

#### Receive Judges' Decision Here—Decision Against Them at Carthage—Affirmative Team Won in Each Instance.

Illinois College and Carthage divided the honors last evening, in the dual debate, each of the affirmative teams won a two to one decision. The visiting team from each college being defeated.

The Illinois team which went to Carthage was composed of John Martin, Arnold Hegstrom, Ivan Rossiter and Jasper Underwood, alternate. They left Jacksonville Friday noon and will remain in Carthage until Saturday evening. They are being entertained at the Theta Tau Sigma frat house.

The Monmouth college paper published the outline and plan of the Illinois negative team's speeches in their school paper last week, following the debate at that place, and this caused some uneasiness among the Illinois debaters, for it was fully expected that the Carthage team would have full information of the negative plan. However, from advice received last night, the Carthage team had not used the Monmouth paper, and the debaters were high in their praise of the sportsmanship which was shown by the rival school.

The judges of this debate were: T. W. Callihan, superintendent of schools, Galesburg, Ill.; W. L. Shepard, professor at Macomb Normal, and Judge Martin, of Virginia.

The debate in Jacksonville, which was won by Illinois, proved interesting largely from the fact that the Carthage team, which was defending the negative, offered no plan in place of compulsory arbitration.

The same question was debated which was debated at the joint debate and at the triangle debate with Monmouth and Augustana: "Resolved, that labor disputes within public utilities should be settled by compulsory arbitration."

Franklin Scott, William Scott and Bernard Engler upheld the affirmative for Illinois, and Maurice Leshner, William Zimmerman and Jerome Johanson defended the negative for Carthage. The judges were Superintendent Smith, of White Hall; Judge E. A. Doolittle, of Carrollton, and Stewart Brown, of Springfield.

Professor Chapin accompanied the Carthage team to Jacksonville.

### EXCELLENT PLAY GIVEN AT FRANKLIN

#### An Old Fashioned Mother Given By Home Talent for Benefit of Christian Church—Witnessed by Large Audience.

Franklin, April 23.—An Old Fashioned Mother was presented in Marquette hall by home talent tonight before a large audience. The play was given for the benefit of the Christian church. The members of the cast acquitted themselves in an admirable manner.

Miss Dorothea Sargent was at the piano during the performance and for the specialties between the acts.

Between the first and second act Miss Blanche Harney sang, "Daddy You've Been a Mother to Me," and "An Old Fashioned Garden."

Between the second and third acts, Miss Harney and Miss Aileen Austin sang "My Isle of Golden Dreams" and "Let the Rest of the World Go By." An excellent reading was given by Miss Lillian Tranbarger.

### DR. C. E. BLACK

#### LECTURES ON GRECE

Dr. C. E. Black delivered his lecture on "Experiences of a Red Cross Officer," before the students and faculty of the Illinois School for the Deaf, last evening.

He used a large number of slides, showing many beautiful views of historic Greece and also parts of Roumania and islands along the coast. Besides these, he showed a number of views of prominent Greeks and remarked that he felt sure of the future of the country, because the leaders are men and women of stable character.

Superintendent White says that the lecture will have a stimulating effect on the students and that the maps which were shown will be an aid in interesting the students in the work.

The motion picture machine, which has been at the factory for repairs and which was held up for several weeks by the strike of the expressmen, arrived yesterday and the regular weekly picture show will be resumed.

### RECEIVE BOX OF FRUIT

Mr. and Mrs. Adam Hull of 600 East Independence avenue, received a box of fine fruit from their children in California for their birthday. The box contained oranges, lemons, all kinds of nuts, three boxes of candy, canned peaches, figs and olives. Most all were grown in their own yard which makes them more appreciated.

### NOT INJURED BY FROST

Peach trees have not been injured by the frost and pears only slightly, according to Judge W. E. Thomson, who has quite an orchard at his home in South Jacksonville. Judge Thomson believes unless there is some other unusual weather conditions that there will be a normal crop of peaches this year.
